

March 21, 2018 Comox Valley Accessibility Committee

Present: Emily, Heather, Mike Z., Lydia, Judy, John H., and Marg M.

Regrets: Andrea

Minutes approved as circulated.

Old Business:

- This committee is interested in the Comox Adaptable Standards and request that their planner be invited to a meeting soon to enlighten us and answer some questions.
- Ryan Rd. there has been no response from VIHA nor was Rona Rae helpful. WE were told that the province and the city will be meeting soon. During the Transportation meeting the consultants by the level of accessibility of handydart or the lack thereof. Other issues were listened to by staff with Ryan O'Grady - engineer.

New Business

- Correspondence – Access Awareness Day is coming up and we need an article and a new picture if possible. We need to check SPARC website for ideas and direction.
- Doug DeMarzo visited our meeting with news the Regional District will attempt to make Nymph Falls Accessible. There will be a public meeting held in the fall. Meanwhile on Monday March 26th. those capable are invited to meet at the trail head to tour the area and see the challenges that will be faced.
- This committee has been nominated for a local hero award. The event is on May 10th. Since we can have up to 4 people represent the committee the following have been nominated – John H., Judy N., Emily W., and Karin K. Smile pretty for the camera and have a good time.

Respectfully submitted,

Rev. Marg Misener
